Honesty

Even more wildlife at Moor Park

Much excitement was caused by the arrival of a group of Hedgehogs on the school site this week. Read all about it later in the Newsletter but it is great to see the children so enthused about the environment as they get actively involved in an act of conservation.

The House Swimming Gala was huge fun and the cold weather did not slow any of the children down as we witnessed some cracking races. Foster carried off the trophy but all of the children did brilliantly and the whole event was great fun.

Becky and I are looking forward to welcoming parents from Year Two and below to Clock House next Friday. Do let Mags know if you are coming and we will hope for some sunshine so that we can use the garden! It should be a lovely evening and we look forward to seeing you. If any parents from these age groups would like a tour of the new facilities for our Early Years and/or Performing Arts, please do let Mags know as we could run some tours from 5.15pm before heading down to Clock House for a drink.

I do hope that everyone enjoys a restful Bank Holiday with their families and we look forward to seeing you all next week.

Charlie Minogue, Headmaster

Boarding

It's been another great week on dorms. It's that time of year where we have the opportunity to play lots of outdoor games, such as capture the flag, ultimate frisbee, dragon tales, and many more. Summer term sports have also started up and the boarders enjoy practicing a bit of rounders and cricket in the evenings. On Wednesday night we had music and a lovely campfire around the George eating muffins as a Wednesday night treat. The annual Breakfast Club is also up and running, which is very exciting. This term the boarders are challenged to run the Tour de France course, which is 4000 laps around our course. The boarders are very keen to get stuck in to this challenge!

Can we take this opportunity to also thank all the parents who have kindly offered to take in overseas students this weekend.

Moreleles

Some fantastic new tunes last week. Good to have some potential young players joining us soon too. Do come along.

Apologies

In a change to last weeks newsletter, Kipp Norbury was not awarded the Gold Medal for his class. Please accept our apologies for any confusion caused.

TICK TOCK

This week at Tick Tock we have been having sensory play using boxes, scarves and different textures.

Artist of the Week

Alice Richards - 6C

Year 2 Visit from Ludlow Museum

Year 2 had a wonderful afternoon with Janet from Shropshire Museum learning about Florence Nightingale. The children enjoyed handling artefacts, writing latin on slate boards and learning how to bandage up their friends

'The Hog Blog' Day 3

Those of you who keep up with Social Media will have noted that we are rehoming some hedgehogs into the grounds here at Moor Park. There is a daily 'Hog Blog'.

Day 3:

The hogs are being just that it seems, as the Year 6 children noted today after witnessing clean food bowls all round. Today's weigh in has shown that all hogs are putting on weight, showing that they are healthy and happy. Daisy has put on 5 g, Belinda 10g, Bobby 7g and Trover (who must be hogging the food bowl) has put on the most at 13g. Starting on Sunday is National Hedgehog Awareness Week. Please look at the website for more information.

A big thank you to Ailie Hill from 'Pricklebums Hedgehog Rescue' for providing the hedgehogs. This charity runs completely from donations so visit her Facebook site if you would like to help more or get involved in saving our British hedgehogs.
