Shrewsbury Scholarship Success

Taking the number of Academic Scholarships to seven, Ossian and Isobel were thrilled to be awarded academic scholarships to Shrewsbury this week. This takes the overall total to 34 awards this year, an amazing achievement by our Year Eight children; we will be publishing more details of all of their achievements in next week's newsletter.

We needed the cricket pitch covers on Thursday night as the heavens opened. Hopefully, we will be back to summer conditions for the next parents' drinks down at Clock House, this time for parents in Years 3, 4 and 5. Do let Mags know if you can come, and feel free to come again if you also have children in Pre-Prep and Tick Tock!

BOARDING

The beautiful weather earlier this week has enabled the boarders to spend time exploring and using our wonderful woods. Campfires and den building are memories of prep school life that will last a lifetime.

The weekend boarders had an enjoyable trip to the West Midlands Safari Park to have fun on the roller coasters and rides. They also visited Naynne's family farm to meet the animals.

The gardeners having been busy tending their plots and despite the cold nights and dry weather there are signs of green shoots.

Reception Trip To Acton Scott

"A lovely day making memories" was how one of the Reception children described our trip to Acton Scott this week. The highlights included grooming and sitting on Charlie the shire horse, helping the farrier make horse shoes and feeding some very greedy lambs!
