Exam Week is Over!

Well done to all of the children who took exams this week but particular congratulations to our Year 8's who have remained very focussed throughout. They deserve to do themselves justice and we eagerly await the results next week. I am sure that there will have been some triumphs and disasters for the younger children and of course both provide useful experience! Teachers will help keep it all in perspective whilst pointing out how to improve things.

We managed to dodge the showers yesterday and both sports day and the fete were a great opportunity to come together to celebrate what makes this school so special. Watching the children support each other whilst competing hard is always inspiring and I am so grateful to the army of parents and staff who worked so hard to make the fete such a success.

Head Lice

A plea from the medical room - please check your child this week for head lice. Several parents are complaining of having to treat their child for head lice, again. In the event that the situation does not get better, matrons will have to carry out a full school head lice check. Notice will be given of this.

Year 3 Play

The Year 3 children have been working very hard on their play. All parents are most welcome to join us in the Secret Garden on Friday at 4.00 pm.

Chapel

Please join us for our family Service on Sunday 11th June at 5:30 with supper afterwards.

Corpus Christ Mass next Friday followed by the procession of the Blessed Sacrament. Please join us for this very special occasion. We are sure the sun will shine!

Congratulations

Henry Anton, a former Head Boy at Moor Park, has been appointed as Head Boy of Rugby School for the academic year 2017 to 2018. This is a fantastic achievement and I am sure that the wider Moor Park family are very proud of him. He is also opening the batting at Lord's for the Rugby 1st XI against Marlborough in August so he is having a successful summer!

A Book I Love Competition

Now is the time to finish off your booklets and get them in to Mrs Jenkins. Those children taught by Mrs Jenkins have been busy immersing themselves into a project based around their favourite book. The projects have been an amalgamation of class work and homework. The children have enjoyed researching the background to the authors, listing and describing their favourite characters, choosing their favourite part of the book, explaining why they like it and reading aloud from their books in class. All projects are to be given into Mrs Jenkins by Friday 16th June.

TICK TOCK

This week the Butterfly room have been doing some bubble painting, water play and sand play. The Caterpillar room have been doing lots of mark making and we are all getting ready to do some Father's Day activities.

Year 8 Play

From Monday, the Year 8's will start rehearsing their production. Most of the children, especially the boys, will be required to wear either black trousers or very dark jeans. Please could you send a labelled pair to Mrs Jenkins so we can start to assemble costumes.
