Assembly took almost half an hour this morning with all of the awards we were handing out! I have been asked to keep this short as we don't have much space in this newsletter as a result; an excellent state of affairs.

Camps, trips and play rehearsals occupied many of the children this week. Year Eight are well on the way to producing an excellent production this year so please contact Mags if you want to come. Seats are limited and are on a first come first served basis although all children from Year 1 to 7 will watch the dress rehearsal on Wednesday. Please don't turn up next week unless you are booked in so as to avoid disappointment!

Headmaster**

My Favourite Book

Pupils taking Speech and Drama with Mrs Jenkins have been taking part in " My Favourite Book".

Congratulations to the winners and a big " well done" for everyone who took part. It has been a pleasure seeing the children so engaged.

Pupils selected a book, wrote about the plot, researched the author, described and spoke about their favourite characters, wrote about their favourite part, read aloud from the book learning how to engage with an audience through reading skills.

Year 5 Camp

We were extremely lucky with the weather this year and this made for a really fun camp. Tents were erected, human pyramids built, team building games played, fires lit, more games played, and tired children slept later than on any other year 5 camp!

The end of the camp culminated in a giant water slide to cool us all off. What a brilliant trip. Thank you to all of the staff and children who made this camp a memorable one.

Lots of photos of both trips and many more events that happened this week - including the Leavers' matches are available on our Facebook page by clicking [here](#)

Year 6 Camp

Year Six enjoyed two days in the sunshine and great heat at the Great Escape at Hopton Castle. They played crocker, rafted on the lakes, took part in all sorts of team-building exercises, wound through a gallon of sun-block and drank an extraordinary amount of water! The site was silent until about 7.30 in the morning which was a great bonus.

Many thanks to Mark, Alex, Toby, Yvonne and Ben for giving us a great time.
