Year 8 Leavers' Lunch- Fountain Garden

**Term Ends**

As amazing as all of your children are, these last two weeks are all about Year 8 and what a week they have had. The Leavers' Dinner was a very special evening for us all; a chance for staff to sit down with the young people they have grown to know in that special way that teachers and pupils can develop if the relationship is nurtured in the right way. The gales of laughter echoing across the fountain gardens throughout tells you all you need to know. Magical.

The Year 8 Play was a triumph this year and my thanks to the army of people who supported our very special director, Bev Jenkins, to make it all happen. The children were extraordinary and how they maintained their energy levels with the temperature in the Hall is beyond me! They deserve to enjoy their trip next week and we are all looking forward to more special moments at Prize Giving and the Leavers' Lunch next Friday.

### Moor Park Equestrian

When most year 7s spent their Sunday recovering from the French trip, Alice S and Eliza H were up early to compete, along with Florence B at a school equestrian event. Exhaustion obviously helped as all 3 girls scored excellent dressage scores in the low 30s, and all jumped a double clear in the show jumping and cross country, giving them a team 3rd and qualifying for the NSEA one day event championships in the 90cm. NEWSFLASH Flo B also qualified as an individual coming 8th!

## Camo 6

Amazing weather for our 6th Camo weekend, Basher building, fire lighting, treasure hunting, Camping wild, cooking wild and so much more! An amazing time was had by all. It is an awesome weekend to attend and a vast amount of effort from many people makes it all work. A huge thank you to all staff and parents involved!

## Year 4 Camp

On Monday the Year Four children set off for a three day trip into Wales. It was all amazing, but things that stand out in my mind were the wonderful views and how we helped one another on the hikes and in the hostel. The best place was Black Rock Beach, it was boiling hot and the BBQ was exceptional (thank you to our chefs, Mr D, Mr Pearson and Miss T). Well done to Mr D for getting the minibus out of the sand, or we would still be there now. However, the best part was being together. Thank you to Miss T for turning a normal bus journey into the party bus. It was a wonderful trip.

By Millie, Libby and William.

## Year 7 French Trip

Another fantastic French trip filled with friends, laughter and the exploration of the Milk museum, the American and British war cemeteries, water parks, swimming pools and much more. The children were brilliant company, it was a fantastic week and as always, thanks to Monsieur for organising another hugely successful trip. Awesome. LCS
