School Ends for Easter Holidays

The Hereford Festival takes centre stage next week for many children and good luck to all who are taking part. They will all benefit from performing in such an important event, irrespective of the results, and I hope that they all enjoy themselves.

Speaking of performances, Mr Donnelly spoke to Years 2 to 7 at the end of assembly today about the Moor Park Mindsets. The children were rapt, listening to his explanations of each word and why they were so important. We will build on this next term so that we hit the ground running in September.

The forecast snow will not dampen the forthcoming Crystal Maze themed Big Weekend and it promises to be huge fun. There are also special events to look forward to next week and would particularly like to mention the Pre-Prep Spring Festival and International Performing Arts Concert: a lovely way to end the term.
