Stonar One Day Event

Plenty of mud and sun created perfect conditions for this year's Muddy Mayhem and children, staff and parents had a fantastic time. Huge thanks to James Duffield, Adrian Crowther and the army of helpers who made it all possible as well as anyone who sponsored a runner; your contributions will make a large difference to the work of the Harry Johnson Trust, a cause that seems to have captured the imaginations of so many of the children. The whole event represents the best of this school; fun, hard work and kindness.

Final preparations have been completed to prepare for the arrival over the weekend of our new swimming pool changing rooms. Branches have been clipped along the drive to avoid damage to cedar-clad walls and the site has been declared ready by the surveyor. There will be several days of work next week ensuring that utilities are all connected and that the final finishes are in place but we are looking forward to using them before too long.

Enjoy the sunny long weekend and we look forward to welcoming everyone back to dry pitches on Tuesday!

Thank you

To all the parents who have very generously donated seeds to the gardening club. If you take a trip down to the gardens, the children have spent the week working really hard on them, and hopefully soon we will start to see the fruits (or vegetables) of their labours.
