Declamations made for a super end to this half of term with some fantastic, confident performances. Well done to everybody involved. We have also enjoyed some nail biting sport this week with several matches going to the wire! We always remember the close matches rather than the easy wins whether we win or lose.

I hope that children at the top of the school enjoy a productive but restful half term as they balance revision with relaxation. Our year 8 boys and girls will deserve all the fun to come after common entrance but I am sure that they will make the most of this final week. Good luck to them all.

We have already heard many great stories and so it would be lovely to collate them altogether. Please send in a photo (or two) with a few lines about them or what they did.
