Year 8 Play

The weather was kind to the children and a happy audience as the Year 3 play, in our beautiful Secret Garden, went down a storm. The children were brilliant and huge thanks are due to Andy Pearson and the other staff for preparing them so well.

This has been a special week with so many children enjoying camps and outdoor activities. They gain so much from these experiences and staff always comment on the individual development that they see. Well done to them all for supporting each other so well and for throwing themselves into activities with such enthusiasm.

Year 8 are working hard on their play and it is shaping up to be a classic. Seats will be in short supply so please let Mags know on head@moorpark.org.uk if you would like to come. Year 8

parents have been able to book themselves in already but seats are now on general release on a first come first served basis! Please do not turn up on either night unless you know that you are booked in.

Please also do let us know if you would like to attend the **Commemoration Mass** at 9.00 am on the final day of the school year – email head@moorpark.org.uk

No Ukulele this week, unless you would like to come to North Wales and join us on the beach?

Usual time next week.

Better Together Day

If you have any old DVDs or CDs, please could you hand them into Mr Crowther or Mr Pearson? We need as many as we can get our hands on. Thank you.

Touch Typing

We are aiming to put on the touch typing course for students again in the Michaelmas term, up to three mornings per week. This is a fantastic opportunity. If you are interested and for more information, please book your place through amgm@moorpark.org.uk.

National Maths Challenge

Please note a correction to last week's newsletter. Please note that Gabriel S was also selected to compete in the finals of this event.

Dear Staff and children of Moor Park,

I am writing to thank you of your incredible donation of £7344.60, which you kindly presented me at your summer

fete. It isn't very often that I am lost for words, but when I heard just how much you had raised over the year for our charity, I really was speechless! The amount of hard work you put in to your fundraising and the varied and fun activities you held are truly amazing. I hope you are proud to hear that nobody has ever raised that much for us before.

Your donation will be used to make sure that all of the children and their families who we help can have a day out together in the local area this summer. Some of the families with very poorly children will also be also to go to the seaside on a little holiday together too during the summer holiday. Please pass on my thanks to your parents and families for their kindness. You have all made a huge difference to the support we can offer this summer, and most importantly, you are going to create hundreds of smiles too! Thank you so much.

Head Lice

We are noticing that a few children are once again complaining of these little pests, especially in the upper part of the school. If your child is not a full boarder, please can you take the time to check them at least once per week. If you notice that they do have lice, please treat immediately, and again every three days for about 10 days. It is a long process, but your help will be gratefully appreciated. Thank you.

Year 5 Camp

The Year 5 camp was a delightful journey of self discovery. The behaviour was exemplary and the spirit and team work shown in supporting each other was exciting to see.

The scavenger hunt was competitive and brought out some imagination and some ingenuity. We also discovered some camouflage and concealment experts during our Game of Spotlight. Thank you to Mr Martin for his stories around the campfire and his cooking skills.... a wonderful camp enjoyed by all.

The history department would like to put together a booklet to remember and celebrate those family members who played their part during the Second World War and (ideally) the Great War. We have already heard many great stories and so it would be lovely to collate them altogether. Please send in a photo (or two) with a few lines about them or what they did.

Jack & the Giant Turnip

Year 3 performed a superb, side splittingly funny production of Jack and the Giant Turnip on Friday in our beautiful Secret Garden. There were a huge number of lines to learn and each and every one was said with passion. Every single cast member and stage support (thank you Finn W) performed their part so well. They should be so proud. Well done.
