At the end of a very successful, busy and fun-filled term, may I wish you and your families a very happy Christmas. These last few days of term have been magical and I hope that you have enjoyed the various events as much as we have.

I also hope that you enjoy reading your copy of Crusts and Crumbs which is hot off the press. The variety of things things children get up to is amazing and it is no surprise that they are now in need of a well-earned holiday! Enjoy some family time over Christmas and I look forward to seeing everyone again in the New Year.

Music Lessons Week I

All music lessons will commence in the first week back after the holidays - so keep practicing!!

Tick Tock

Tick Tock have been creating some lovely Christmas cards and calendars this week. We are all feeling very festive after lower school came and sang us their Christmas songs, and have also been singing our own Christmas songs incorporating some counting.

We like to do lots of craft at Christmas time such as making baubles and making Santa handprints. We wish you all a very happy Christmas and new year.

Moor Park War Stories

Mr Crew has been working quietly behind the scenes putting together the most amazing book - and all with your help - a compilation of war stories from the relations of children at the school, to commemorate the centenary of the first world war. Copies are available for purchase at £12 plus any postage from Mr Crew on rslc@moorpark.org.uk with all profits towards Royal British Legion, The National Army Museum and the Army Museums of York & Shrewsbury.
