Talk by Oliver Glanville and George Randall - 'Rowing across the Atlantic'

Quote of the Week

Honesty is the fastest way to prevent a mistake from turning into a failure.
James Altucher

Value of the Week

Honesty

Smiling, happy faces around school have lit the place up over the first few days of term and it was great to get going again on Wednesday. There is also plenty to look forward to in the diary: the talk by two trans-atlantic rowers next Friday should be fascinating and I also wanted to give another plug to the forthcoming Senior Schools Fair on Monday 21st and Tuesday 22nd. Please do support this event and give yourselves a useful insight into the different schools that are available. We have an impressive list of schools prepared to travel huge distances to speak to Moor Park parents, indicative of the links we have developed across the country as well as locally. Developing a long list of schools at an early stage is very useful so it would be great to see lots of you there, even if Year 8 seems a long way off!

Tick Tock

Happy new year from us all at Tick Tock.

We have all settled back in well after Christmas and have been having fun making new year celebration pictures. We are very happy to back doing our normal music, dance and sports sessions.

The caterpillar room have been busy getting their winter display board ready, lots of footprint snowmen have been produced.

The butterfly room have been having lots of small world fun making huge train tracks and playing with the farm.

✂ CHAPEL ✂

Mass on Sunday at Moor Park at 5.30 pm with Supper afterwards. All welcome.

Well Done!

Charlotte M (Year 3) and April H (Year 5) have donated their hair to the Little Princess Trust. What a generous and brave thing to do!

Oli Glanville and George Randell “The Ordinary Boys”

**Talk on Rowing the Atlantic
Friday 18th January
5.30 pm. Henderson Hall**

The Ordinary Boys are a two-man team who rowed non-stop and unassisted across the Atlantic Ocean in January 2018. Through their 3000 mile journey, they encountered whales, sharks, storms, huge waves, salt sores and extreme isolation. George and Oli will be giving a talk about their experiences preparing for such a huge challenge, and recounting what happened over the course of 37 days and nights spent at sea.

**Please come along -
everybody welcome**

Attention Year 7 pupils:

We have been invited to take 15 Year 7 pupils to a “Music Theatre Workshop Day” at Shrewsbury School, this coming Friday 18th January. We would leave at about 9.50 am and return by 5.30 pm. Food will be provided by Shrewsbury School and there is a performance of the work covered at 3.30 pm, to which parents are invited.

It looks like great fun and a super opportunity and I recommend it to our Year 7 pupils.

As spaces are limited to 15, please email me on: rjm@moorpark.org.uk to reserve a place, if you are interested.

Saturday Smash

We are very excited to be up and running again with Saturday Smash. Once again we have some Senior Schools joining us to take sessions along with Andali fitness and Ludwig Theatre Arts.

A few things to remember please:

- 1) We start at **8.45 am**. If you arrive late, the groups will have been allocated and there is a risk that you will not be able to take part in your chosen activity.
- 2) Please let us know each week if you are **NOT** coming before Saturday morning. Again many of our activities hinge around group sizes.
- 3) If you take part in the Active or Team Building sessions each week, please bring: **Wellies, Gloves, Waterproofs and dressed in trainers.**

- 4) Week 2 please bring Swim wear just in case you are in the pool.
