Value of the Week

Honesty

Lots of fun was had this week, whether it was Year 7 being curious about the causes of Pepper's Ghost in science, getting creative at a Shrewsbury School Musical Theatre day or children developing resilience whilst capsizing kayaks during Saturday Smash, there has been a great deal going on. The talk by two trans-atlantic rowers on Friday was inspirational and we were all struck by the mental strength and team work needed to complete the challenge. Thank you to the Gray family for putting us in touch with them.

Do remember that the senior school fair is running on Monday and Tuesday this week from 5.30pm in the Front Hall area. I look forward to seeing many of you there and hope that the conversations you have are useful.

The staff are making final preparations for Harry Potter weekend and I am not sure who is more excited, the adults or the children! The costumes, games and other activities are going to be amazing so do send an owl to Mrs Ball as I don't think that there are many beds left!

Tick Tock

This week both the butterfly and caterpillar room have been looking at Goldilocks and the three bears. We have all enjoyed playing in the oats pretending to make bowls of porridge, and have also coloured in lots of bear pictures, made bear ears and bear masks. The children loved listening to the story and talking about all of the things that Goldilocks did to the Bears.

It was also back to our mini movers sessions this week and the children did a great job after having a short break. They have started learning about balancing using the bean bags.

Year 7 Science

Year 7 had a lot of fun this morning studying how Pepper's Ghost works! Flame swallowing is definitely a new skill to be developed.

Boarding

There are lots of activities planned for the rest of term. Please note that places for the Big Weekend Harry Potter event have now closed.

Next Wednesday we have Spotlights in the Dark. We love fun in the grounds after dark!

On Wednesday 30th we have a Burn's Night special where we will all be reeling the night away and eating haggis. Kilts will be worn!

Please book in with lab@moorpark.org.uk if you wish to join us for any of these evenings. There is an amazing programme planned for the term.

This week the boarders have been busy with birthdays and pizza! On Wednesday night they played a boarding house favourite - 'Postman!'.

We are very much looking forward to Exeat and the Spanish families are very grateful for any invitations that you give. Should you wish to invite a Spanish child out for the weekend, please do let Mrs Ball know and she can put you in touch with the family. Thank you.

Saturday Smash

We are very excited to be up and running again with Saturday Smash. Once again we have some Senior Schools joining us to take sessions along with Andali fitness and Ludwig Theatre Arts.

A few things to remember please:

- 1) If you take part in the Active or Team Building sessions each week, please bring: **Wellies, Gloves, Waterproofs and dressed in trainers.**
- 2) **Week 2** please bring Swim wear just in case you are in the pool. You re welcome to bring a wetsuit should you wish.
- 3) **Week 3**Active group we are map reading in the woods. We are meeting at 8.50 am in the Blackpool Car Park (the one by the school) in Mortimer forest. Please begin weather appropriate clothing.
- 4) We start at **8.45 am**. If you arrive late, the groups will have been allocated and there is a risk that you will not be able to take part in your chosen activity.
- 5) Please let us know each week if you are **NOT** coming before Saturday morning. Again many of our activities hinge around group sizes.

Tuesday evening, in the PAC, more songs more fun, any more members?
