### Quote of the Week

"The fool doth think he is wise, but the wise man knows himself to be a fool."

William Shakespeare, As You Like It

### Value of the Week

**Wisdom**

The mud run was as extraordinary as ever this year and well done to everyone who took part or were involved with the organisation of it. The community really came together again to raise money for two very special charities and I am very grateful. Quite what the prospective family I was showing around made of it all I don't know but we will find out soon enough!

The Junior Common Room has been up and running for a few weeks now but there is a feeling amongst some children that it would be nice to have a few board games available in the space. Can you have a look through your cupboards over the weekend and let me know if you have anything that you would be prepared to donate? It would provide another option for children to take at break times and I would be very grateful.

Do enjoy the long weekend and I hope that the weather is not typical for a British Bank Holiday!

**Charlie Minogue**

### Artists of the Week

Otis H (Year 1) Paint and Pastels

and Isabel B (Year 8) Lino Print

## Notices

### Pre-Prep

Please could we remind parents that once children are collected at 3.45 pm that they are responsible for their own children? We have started to notice that children are using the gardens and the Tick Tock garden as a play area and items are being lost and damaged. Thank you for your help with this.

### Flute Lessons

Mrs Lumley currently has space for more budding flute players. If you would like for your child to have a taster lesson, please do contact Mr Martin on [rjm@moorpark.org.uk](mailto:rjm@moorpark.org.uk).

### Bags 2 School

Start collecting those unwanted clothes! Our next collection will be on 14th June. Boats will be sent out over the next couple of weeks.

## Boarding

### Breakfast Club

.....

This year our boarders are challenged to run to Dover, Swim to Calais and then run on to Paris. A huge challenge. They will be swimming on Tuesday and Fridays and running every other day. This challenge is completely voluntary and there will be weekly awards. Tree House will be swimming on Saturday mornings. The person who has clocked the most miles at the end of the challenge will be served breakfast in bed by M. Collin! Keep an eye on the boarding board for their progress.

Tree House have already swum 70 lengths!

Nayne gave us a spectacular demonstration at assembly this week!

A huge thank you to those families who have hosted our overseas children this weekend. It is so valuable to their experience and we cannot thank you enough.

### Year 6 History Trip

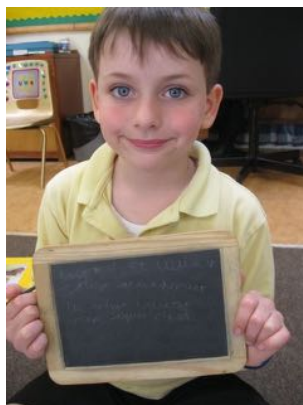

## THE MOORELELES

A quiet week last week with a guest appearance from a pianist - thank you. See you next Wednesday .

### Year 2 History Visit

.....

A lovely lady from Shropshire Museum came and told us in Year 2 about Florence Nightingale. Her father taught her at home. She would have written on a slate board with a slate pencil. We had a go at copying out a poem. It was very noisy! We found our Florence improved nursing. Bandages and dressings were changed regularly. We tried to bandage our friends. It was much more difficult than we thought it would be.

## Tick Tock

We have crammed lots of activities in this week at Tick Tock, with everything from painting and sticking to outdoor play and walks. We have been using paintbrushes and water outside to make marks and we have been doing lots of different crafts indoors ready for some new display boards.

The caterpillars have enjoyed playing with the dinosaurs and the butterflies have made lots of mess with the shredded paper out of their sensory tray.

After the success of 'Moor Park War Stories', I was wondering whether anybody had a family member or relative's story which was not published from any conflict through history. If so, please could you send me any relevant information (name, rank, photo, unit etc) to see if there is enough for a follow up book. Thank you.
