Value of the Week

Curiosity

The open Saturday Smash event was great fun and very successful with children from Years 1 and 2 joining us including substantial numbers from outside of Moor Park. Well done to all of our children for getting involved and welcoming new people in for the day and thank you to our extra staff and parent helpers who lent us their expertise. Having been used as a demonstration model during a self-defence class I can report that there were serious skills on display!

Do pop in to the Art Scholars' Exhibition next Friday; whether or not you have a child in Year 8 or not, the quality on show is really quite amazing and it is lovely for the children to receive positive feedback on their work. Come and have a glass of wine and be prepared to be amazed... Even if you were to come for a few minutes, it would be good to see you.
