Rain

The rain powered down, bruising the rooftops of my beautiful house,
I think it could've been heard by the deafest mouse,
And the dumbest man would cry out, "Oh my!"
If he heard the noise of the constant rain.

I gazed momentarily at the starry night's sky,
But I couldn't concentrate at all,
'Cause the stars and the moon were having a ball
For looking at the sky wouldn't help my house crushing down
I just sat there on my bed unhappy as a clown.

The poor park gate is rotting away,
And it seems that it's hinge is going astray.
The monkey bars are tilted, screaming in pain,
It's doubtful this place will ever have joy again.

The pitch is badly waterlogged
It's like it's been severely flogged,
But I like to site here,
In my little village in Herefordshire.

Where to start! So many children and staff have been off doing amazing things this week that it is impossible to do it all justice. Well done to Year 6 who were exceptional on their camp and Year 7 who clearly had the most amazing time in France. My thanks to all of the staff involved, particularly those with Year 7 who returned back to school at 2.00am (yes am...!) on Saturday.

I have just come back from the Year 8 Welsh three peaks challenge, organised by Becky Clay and accompanied by a great group of adults. We do produce exceptional children if this weekend is anything to go by and over £3000 was raised for cancer research in climbing Snowdon, Cadair Idris and Pen y Fan over two days.

It is looking as though the weather is improving through next week which will be a relief to us all, particularly those hoping to play cricket or rounders! Year 4 also head off on their camp on Monday and Year 5 are under canvas in the grounds on Tuesday night. These final few weeks of term are such fun and I am looking forward to enjoying every moment of them.

Chapel

We enjoyed a beautiful Corpus Christi service. Thank you to the choir who sang magnificently and the sacristans for serving.

Mooreles

A more relaxed feel to the sessions now that the fête is done.

Wednesdays 4:30pm - 5:30pm PAC.

Come and join us. You never know you might like it!

We are so proud of our year 3 who are supporting this amazing cause. They are keen for everyone to help to eradicate single use plastic and I hope that we can help them to do this.

There will be bamboo toothbrushes for collection in the front hall, and a collection box for old toothbrushes. Please do bring in £1 to support this amazing cause. Full info at <https://www.oskeco.com/our-story>

Here is a provisional list of those performing. This list is subject to change over the next week.

An amazing workshop took place for our Year 5 today in St Laurence's Church in Ludlow. It was run by Gemma King the deputy Choir Master at the church.

Choir & Sacristan Trip

All members of the Chapel Choir and the Sacristans

On Saturday 29th we will have our annual Bowling trip as a reward for all the hard work done during the year.

We will have a full hour bowling and the cost of the trip will be around £5 per pupil, which will go on the school bill.

Could parents please contact Mr R Martin on rjm@moorpark.org.uk if they do not wish their child to go on this trip.

Mums' Netball

Huge congratulations to Mums' netball team Victorious Secrets on coming top of the league this week in the Leagues4you Ludlow league. A huge thank you to Mel Lewis for the Wednesday morning coaching.

This is open to all Mums and you are so welcome to join in. Training is on a Wednesday if you can make it, and matches are at school on Wednesday evenings. Please send enquiries to tovictoriaelizabethgalbraith@yahoo.co.uk

Tick Tock

It's been another busy week here at Tick Tock. The Butterflies have made the most of the wet weather and been jumping in lots of puddles. They also had a fantastic time at our teddy bears picnic on Monday.

The caterpillar room have also been enjoying the teddy bears picnic topic and have been exploring their senses using jelly play.

In the garden this week we have all been helping to wash the doll's clothes and have been hanging them out to dry.

Year 8 Challenge

Spare a thought for many of our year 8 who during their exeat weekend have been taking on the Welsh 3 Peaks. They had every weather possible but they did it! All in support of Cancer Research. If you are able, please do support them. Full details on poster later on in the newsletter. Thank you.
