Quote of the Week

It is not fitting, when one is in God's service, to have a gloomy face or a chilling look.

Value of the Week

Service

Firstly, I am very grateful to the group of amazing Year 8 parents who are busy transforming the Year 8 Common Room at the moment. This project is their leaving gift to the school but I am really pleased that their children will also benefit. The room is going to be fabulous and future generations will no doubt be thanking them! This has had the knock on effect of moving a table football table to the Junior Common Room which has caused quite a stir. The library is also seeing good footfall during break and I am so pleased that we are finding so many different ways for children to spend their down time.

It has been a very busy week of sport this week in the prep school and I really enjoyed listening to some excellent match reports during assembly. Let's hope they have enough energy for Saturday and enjoy some rest over the remainder of the weekend!

'Flu Vaccinations are this Monday 14th October. Please ensure that all forms have been returned by then, whether you wish for your child to have the vaccination or not. Thank you.

Questionnaires

You have recently been sent two questionnaires. The first on boarding and the second on bus routes. These very short questionnaires really do help us with our forward planning and decision making and therefore we would very much value your input. If you have not already done so, please complete each questionnaire here:

Mini Bus Questionnaire: <https://registrar297080.typeform.com/to/IRHcwU>

Chapel

No school Mass this week.

A HUGE thank you to those of you who donated to our Harvest Appeal to support the Ludlow Food Bank. It was all very gratefully received. They have already given out more food parcels this year than all of 2018 with their busiest three months to come. Well done also to Yr 6-8 who raised £100 for the Cafod family fast day this year.

Wednesday Activity Programme

Week 10 Who wants to be a millionaire

Week 12 Movie Night

Week 14 Christmas Activities

This week at Tick Tock the children have been collecting apples and using them to make pictures. They also found them very tasty. The Butterfly room have been getting creative and making all sorts of bugs and insects. The Caterpillar room have enjoyed playing with the farm and animals. This has encouraged them to use different animal noises and has also given them the opportunity to play with lots of Tractors!

Malvern College Debating Day

On Tuesday, our Year 8 students attended a 'Debate Day' at Malvern College. During the day, they were instructed by Dr. Bradley Wells regarding different styles of debate. V1th Form students provided workshops on various key aspects from 'gestures' to 'rebuttal'. Moor Park students won all three of their debates, and it was a pleasure to see our students guiding and supporting Year 6 students from other schools.
