## Week 8

It has been a pleasure reading many of your children’s reports from several Prep School Year groups over the last week and there has been a great deal of hard work going on! I do hope that these reports are useful to you and that they stimulate some useful discussions about how to improve things still further. The children certainly deserve a good break and although exams loom large for some, some down time is still going to be important. Our hard working teachers and the whole staff in general also deserve a good break. They work so hard for your children and the extra miles that are travelled each day add up to an amazing amount of value added! One and a half weeks off will be enough for everyone to re-charge their batteries and go again in November and I hope that everyone enjoys a relaxing and enjoyable time.

We are very much looking forward to seeing everyone at the Fireworks on the final Sunday of Half Term. This is always a lovely community event and fingers crossed that the weather is kind!
