Value of the Week

Independence

This has been an emotional week in the prep school but I am so proud of the way in which we have all, children, staff and parents, rallied around. Thank you to everyone who has supported in any way - it is appreciated.

Life in the school has also continued, as it must, and Year 6 and 8 will be relieved to have another set of exams out of the way. I am sure that they will learn much by going through the papers.

There are details of yet more scholarship success in this Newsletter and well done to our Year 5 mathematicians who did so well up at the Wrekin College Maths Challenge.

We have a busy evening schedule next week with parents' evenings for Years 6 and 8 and are also looking forward to the always popular MPPA Quiz Night on Friday, an evening that the takeaway restaurants of Ludlow look forward to every year! I look forward to seeing many of you on the night - it really is great fun.

World Book Day this year will be held on 5th March (This Thursday) when all children can come dressed as their favourite book character. Please bring £1 to donate to our chosen charities.

This year, Moor Park are going to run a Readathon and will launch this on World Book Day (5th March), to run until we break up for Easter. Funds raised will help to buy books for hospitalised children, and school also receives 20% of the sum raised to buy new books.

Old Boy News

Worcester Warriors have four players in the England Under-18s squad for February's development camp at Bisham Abbey National Sports Centre including Moor Park Old Boy Seb Atkinson. Well Done Seb! We are so proud of you.

The Butterfly room had their last session with Shropshire music service before Easter and were lucky enough to have a go on a harp! As part of the sessions we were given a beautiful selection of musical instruments to keep.

This week in Tick Tock the Caterpillar room have been having fun with cardboard boxes and balls. They have used the balls in craft as well as general play.

The Butterfly room have been learning about colour, making lots of pretty pictures using a variety of colours. This has included handprints and rainbows.

Hereford Festival

Next week is the busiest week in the Speech and Drama year. All classes can be found on the website: www.encore-enterprises.com. Head for the festival page and click on "Programme" pdf. Scroll down to page 22 Speech and Drama.

It is vital that the children arrive at least 20 minutes prior to their class so Mrs Jenkins can organise and

settle them. Please consider how busy the A49 can be.
