Week 8

An emotional week for us all but we have all stood firm and it is still important that we celebrate various achievements. More scholarship success for our Year 8 children included some high-end academic awards and an excellent drama scholarship - well done to them all.

We had a very busy Saturday morning with Open Day, Moor Park scholarship assessments and Cheltenham College getting involved in Smash. Well done to all of the internal scholarship candidates and we were delighted to welcome four external candidates looking to join the school in September alongside other visiting families. Staff from Cheltenham College ran a really interesting sounding art session and a spectacular science demonstration that really got the pulse racing! My thanks to their incredibly knowledgeable and enthusiastic staff for their time and expertise.

Moor Park children dominated the Hereford Festival again this year and well done to everyone who took part. The stats are remarkable and it just shows how confident and well-prepared our children are. We should be very proud of the kind of young people we produce.

Finally, we said goodbye to Annie Arkwright on Friday and wish her well. She has been a huge help as a TA and we know that she will keep in touch. Having been a Moor Park parent and a member of staff she is certainly part of the family.

TICK TOCK

This week has been lots of fun at Tick Tock with all the different world book day activities and costumes. We tend to celebrate all week so that all of the children can take part. The children have been bringing in their favourite books to read and books to match their costumes. We were also lucky to have some of the older children from school come in and read us some stories.

The Caterpillar room have been making their own book of what they do in a day and the Butterfly room have been lots of fantastic face painting!

Speech & Drama News

Hereford Festival

55 medals from 24 classes! All of Year 3 and a few children from other years took part for the first time showing great confidence. The children also embraced another three mindsets: Creativity, Independence and Resilience. Mrs Jenkins said the children really enjoyed themselves and enjoyed being part of team Moor Park. Many congratulations!

Brass Lessons

Brass Lessons this week will be on Wednesday. Thank you.

Tuesday morning saw a brilliant time during our Early Years Extra Curricular Open Morning. We had lots of parents come to see Mini Music Makers, Sports Stars and Mini Movers.

The new HPA Fest got off to a brilliant start this week with competitors of all ages winning medal across all categories!

World Book Day theme this year was sharing lots of stories. The fancy dress was amazing and it was lovely to see some of the older children reading to the younger ones!

Coronavirus has been at the front of the Sick Bays Team's mind this week. Naynne has been going around all of the classrooms teaching us all how to wash hands and the effect of soap and water on germs. We all know about spiders, giraffes and snakes now! (Ask your children!)

Year 2 went on a History and Art tip to Ludlow with their sketch books. They looked at castles and architecture and enjoyed a bit of chilly sunshine.

A mad evening on the boarding wing wing doing hair, faces and nails....

A huge thank you to Cheltenham College who came to Saturday Smash this week for an spectacular science extravaganza. We lots the whizzes and bangs and lots and lots of fire! Cant wait until next time!
