Year 8 Trip to Belmont Abbey

A complicated but successful week comes to an end and we were delighted to hear of yet more scholarship success at the end of it. This now makes 16 awards from 19 UK children in the current Year 8 - a remarkable record but also not a fluke; in the last four years 100 children have left Moor Park at the end of Year 8 and we have won 85 scholarships to senior schools. I haven't heard of any other school with a similar record but would be interested to hear if there was one out there!

Saturday was a significant day in the life of the school and Lizzie's funeral and the wake that followed were extraordinary. I was very proud of all of the children who sang, managing to keep their own emotions in check in the midst of such a charged atmosphere. Harris Choi deserves particular congratulations for his passionate and nerveless playing - a professional would have been pleased to have played the Saint-Saëns as well as he did.

## TICK TOCK

This week in the Caterpillar Room we have been getting ready for Spring. We have used Daffodils for painting and for sensory experiences. We have also been looking for Signs of spring on our walks.

The Butterfly room have been learning all about number. They have been using the number magnets and puzzles indoors and have been making some wonderful games up in the garden!
